

## THE HAMBRIGHT'S

The second Annual Meeting of THE HAMBRIGHT'S was held at Antioch Baptist Church near Grover on July 18, 1948 with a good attendance. This year we missed quite a few of the children due to the Infantile Paralysis Ban.

The meeting was opened with songs followed by Prayer by our President, W. A. Hambright. Report of Minutes were given by Sarah Hambright in the absence of our Secretary. Mrs. Flora H. Sims gave report of Treasure. Collections of last meeting amounted to \$37.21. Expenses during year were \$14.00 which left a balance of \$23.21 in treasure.

Mrs. W. A. Hambright gave a report on the history of Col. Frederick Hambright. She said that a detailed record of Col. Hambright appeared in paper Jan. 19, 1919. This record was given by a Mrs. Hardin. W. A. Hambright ask for information as to whether or not anyone had a picture of Col. Hambright. No one had.

J. D. Hambright gave report from Grave Committee. Mr. Hambright is Chairman of this Committee. This Committee met twice during the year and visited the grave of Col. Hambright at Shiloh Cemetery. The removal of the Colonel body, either to the Battlefield or to Kings Mountain was deemed unwise but efforts are to be made in the cleaning this graveyard with special attention to Colonel Hambright's Monument and Grave. Ollie Harris, one of the Grave Committee members, said that the Deed to Shiloh Cemetery made in 1827 in Lincoln County had been secured by Fred Hambright and was now in the hands of R. E. Hambright of Grover. Harris stated that improvement on the Cemetery should begin at once and that at least \$500.00 should be raised for this purpose. Mr. Ed. Hambright explained that a few had cleaned the graveyard to some extent and that he was trying to get Highway Department to build road to cemetery.

J. D. Hambright gave report of the Family Tree that was made up by W. A. Hambright. About 100 copies were available and many bought one for \$1.00 each.

Ollie Harris ask the members of the Hambright's to give our President W. A. Hambright a rising vote of thanks for his untiring efforts on behalf of the family, which was done.

W. A. Hambright introduced Mr. J. K. East, Supt. of Blacksburg Centralized High School who spoke to us about the Character of Colonel Hambright and the people of that day and challenged we of today to stand up for the things that are Right. His talk was thoroughly enjoyed and appreciated.

After dinner several songs were sung before election of Officers for the new year. President Hambright appointed Ollie Harris as Election Officer. The following officers were elected: W. A. Hambright, reelected President, J. D. Hambright reelected Vice-President, Ollie Harris elected Secretary, Mrs. W. T. Sims reelected Treasurer, Mrs. W. A. Hambright reelected Historian with Miss Beattie Lee Hambright as assistant Historian. J. K. East closed with Prayer.

PRESIDENT

Members of Cemetary Committee  
Decendents of Colonel Frederick Hambricht

Dear Sir,

I hope that you can attend the committee meeting to be held at the old Shiloh Graveyard Sunday, August 8th at 3 o'clock p.m. This graveyard is located about one and one-half miles East of Grover, N. C. as most of you know. Colonel Frederick Hambricht and many of our relatives as well as others are buried there and their graves have been neglected shamefully.

It is the purpose of this committee to make a survey of the grounds and to agree on what should be done toward putting the place into a more respectable condition; keeping in mind the amount of money that can be raised for this purpose and devising some means for raising the money.

The deed to this property is vested in the Elders of the Congregation of Shiloh Presbyterian Church and is recorded in Lincoln County, N. C. and these Elders are being included as members of this Committee and are invited to meet with us on August 8th as stated. Also I am asking some of the members of the Colonel Frederick Hambricht Chapter, D.A.R. of Kings Mt., N. C. to serve with us on the committee and to meet with us on August 8th at 3 o'clock p.m. at the cemetery. Each of you is requested to invite any that are relatives of persons buried there, especially if they are not decendents of Colonel Hambricht to meet with us also. The Historians are expected to have a complete list of all the marked graves and plat showing where each is buried.

In the meantime if you have an opportunity, please visit this old graveyard and be thinking about what we should try to do in this connection,

Yours very truly,

J. D. HAMBRIGHT  
Chairman of Cemetary Committee
