Dear Mr. Hambright and members of the Hambright Association:

Greetings to the Hambrights. I wish I might be with you for this gathering.....I had half expected to come this year, but my sight has become too bad to make the trip worthwhile, even though Paul has suggested that we could try.

I think that I shall be in the hospital for cataract surgery at the time you meet. But I'll be wishing I were with you.

Inclosed is a check for expenses of the Association.----Maybe next year I can bring it in person. Meanwhile, have a good meeting.--I KNOW the food will be excellent!

Best wishes to all of you.

Sincerely,

Thomas Lorraine Campbell

(Mrs. Paul M. Campbell)

PS: I can not see what I write, so please pardon any errors, etc. TLWC
